Hope all is well this Holiday season. Sorry for last minute request for approval, but the Association of Information Technology Professionals (AITP) in Houston, Texas had a last minute cancellation for a lunch speaker on 16 December 2008 and asked if I could speak with them regarding the Hanssen Case. The AITP is made up of business leaders from the IT field as managers, CIOs, IT Forensics, etc. There will be approximately 40 attendees at this lunch. Again, sorry for the last minute rush. If I could use the old Bureau term of "UACB" I will adhere to the rules and guidance provided by FBIHQ from my last approval received to conduct this speech.

Please contact me if you should have any questions.

Regards and all the best this Holiday Season,

Rich
